MINISTRY

Live it

Own it

Use it

Do it

**Live life louder than
the culture around you**

What is L.O.U.D ministries?

Loud ministries is a combined effort between Spirit of Hope Independent Catholic Community and St. Anne's Episcopal Church. We base our ministry around Christ's gospel message and instill in our youth that

they are loved, they are valued, and they are not

alone. As a community we feel we must surround our youth with faithful, caring adults to help lead their lives to Christ.
